Introduction

Geachte relatie,

Na een jaar van intensieve voorbereiding kunnen wij u met gepaste trots onze nieuwe collectie van erotische toys en body care producten presenteren.

We hebben bij de ontwikkeling van deze collectie met name veel aandacht besteed aan de functionaliteit en de kwaliteit van onze producten.

Ons nieuwe aanbod is uitermate compleet en veelzijdig. Onze ruim 550 verschillende nieuwe producten bieden u volop mogelijkheden in de erotische markt.

Aan de verpakkingen is ook veel zorg en aandacht gegeven: ze zijn kwalitatief hoogwaardig en qua design beslist niet aanstootgevend. Een moderne en discrete vorm van presentatie.

Gegeven de ophef die hierover recent in de markt is ontstaan, en die ook bij consumenten een steeds grotere rol speelt, hebben we ervoor gekozen om voor de artikelen die we onder het Playhouse merk brengen alleen materialen te gebruiken die volledig vrij zijn van weekmakers. Dit wordt op de verpakking duidelijk aangegeven middels een opvallende "Silicone" sticker. Bij ieder product in dit materiaal is er tevens een leaflet bijgevoegd dat de consument meer informatie geeft.

Tenslotte: u kunt uiteraard erop rekenen dat Playhouse zijn prestaties op het gebied van service en klantvriendelijkheid ook zal handhaven binnen dit nieuwe marktsegment.

U kunt op ons bouwen en vertrouwen !!

Dear business partner,

After a year of intensive preparation we are now able to proudly present you our new collection of erotic toys and body care products.

We have put a lot of care into the functionality and quality of the products in our new collection.

Our new line is exceedingly comprehensive and diverse, with more than 550 various new products offering you abundant possibilities within the erotic market.

A great deal of care and attention has also been given to packaging: our packages are of the highest quality and have been designed to be as inoffensive as possible. A modern and discrete presentation.

Given the concerns recently seen in the market and which are playing an increasingly important role for consumers as well, we have exclusively chosen materials, which are free of all plasticizing agents for all articles sold under the Playhouse brand name. This is clearly indicated on the package with a prominent "silicone" sticker. For the consumer's information, a leaflet has been included with every product manufactured with this material.

In closing: you can rest assured that in this new market segment as well, Playhouse will uphold its achievements in the field of service and customer-friendliness.

You can count on us!!

Verehrter Kunde,

Nach einem Jahr intensiver Vorbereitungen freuen wir uns, Ihnen unsere neue Kollektion erotischer Toys und Körperpflegeprodukte vorstellen zu können.

Bei der Entwicklung dieser Kollektion haben wir besonderen Wert auf die Funktionalität und die Qualität unserer Produkte gelegt.

Unser neues Angebot ist äußerst umfassend und vielseitig. Unsere rund 550 verschiedenen neuen Produkte bieten Ihnen umfangreiche Möglichkeiten auf dem Erotik-Markt.

Die Verpackungen wurden mit größter Sorgfalt und Aufmerksamkeit entwickelt: Sie sind qualitativ hochwertig und dezent in ihrem Design – eine moderne und diskrete Präsentation erotischer Toys.

Wir verwenden für die Artikel die wir unter der Marke Playhouse auf den Markt bringen, ausschließlich Weichmacher-freie Materialien, da dieses Thema unlängst auf dem Markt und auch für Verbraucher eine immer größere Rolle spielt. Ein auffälliger "Silikon"-Aufkleber auf den Verpackungen macht dies kenntlich. Jedem Produkt aus diesem Material ist außerdem ein Faltblatt beigelegt, das dem Verbraucher weitere Informationen bietet.

Selbstverständlich führt Playhouse seine Leistungen in den Bereichen Service und Kundenfreundlichkeit auch innerhalb dieses neuen Marktsegments fort.

Sie können auf uns bauen und uns vertrauen!!

Cher partenaire,

Après une année d'intense préparation, nous sommes aujourd'hui fiers de vous présenter notre nouvelle collection de jouets érotiques et de soins corporels.

Nous avons prêté une attention particulière à la fonctionnalité et à la qualité des produits constituant notre nouvelle collection.

Cette nouvelle ligne, extrêmement complète et diversifiée, comptant plus de 550 nouveaux produits, vous offre de nombreuses possibilités sur le marché de l'érotisme.

Nous avons également porté un soin et une attention particuliers au packaging; nos emballages sont d'une qualité irréprochable et ont été conçus pour être aussi sobres que possible: ils se présentent de manière moderne et discrète.

Compte tenu des récentes inquiétudes du marché, jouant de surcroît un rôle de plus en plus important pour le consommateur, nous avons rigoureusement sélectionné des matériaux exempts de tout agent plastifiant, et ce pour tous les articles vendus sous la marque Playhouse. Sur l'emballage, une étiquette "silicone" bien visible le garantit. Pour informer le consommateur, un livret accompagne chaque produit contenant ce matériau.

En conclusion: nous pouvons vous assurer qu'ici encore, sur un nouveau segment du marché, Playhouse maintiendra son excellence en termes de service et d'écoute du client.

Vous pouvez compter sur nous !!
